

PDF FILE SETTING

Risk of Graphic and Text being distorted and lost

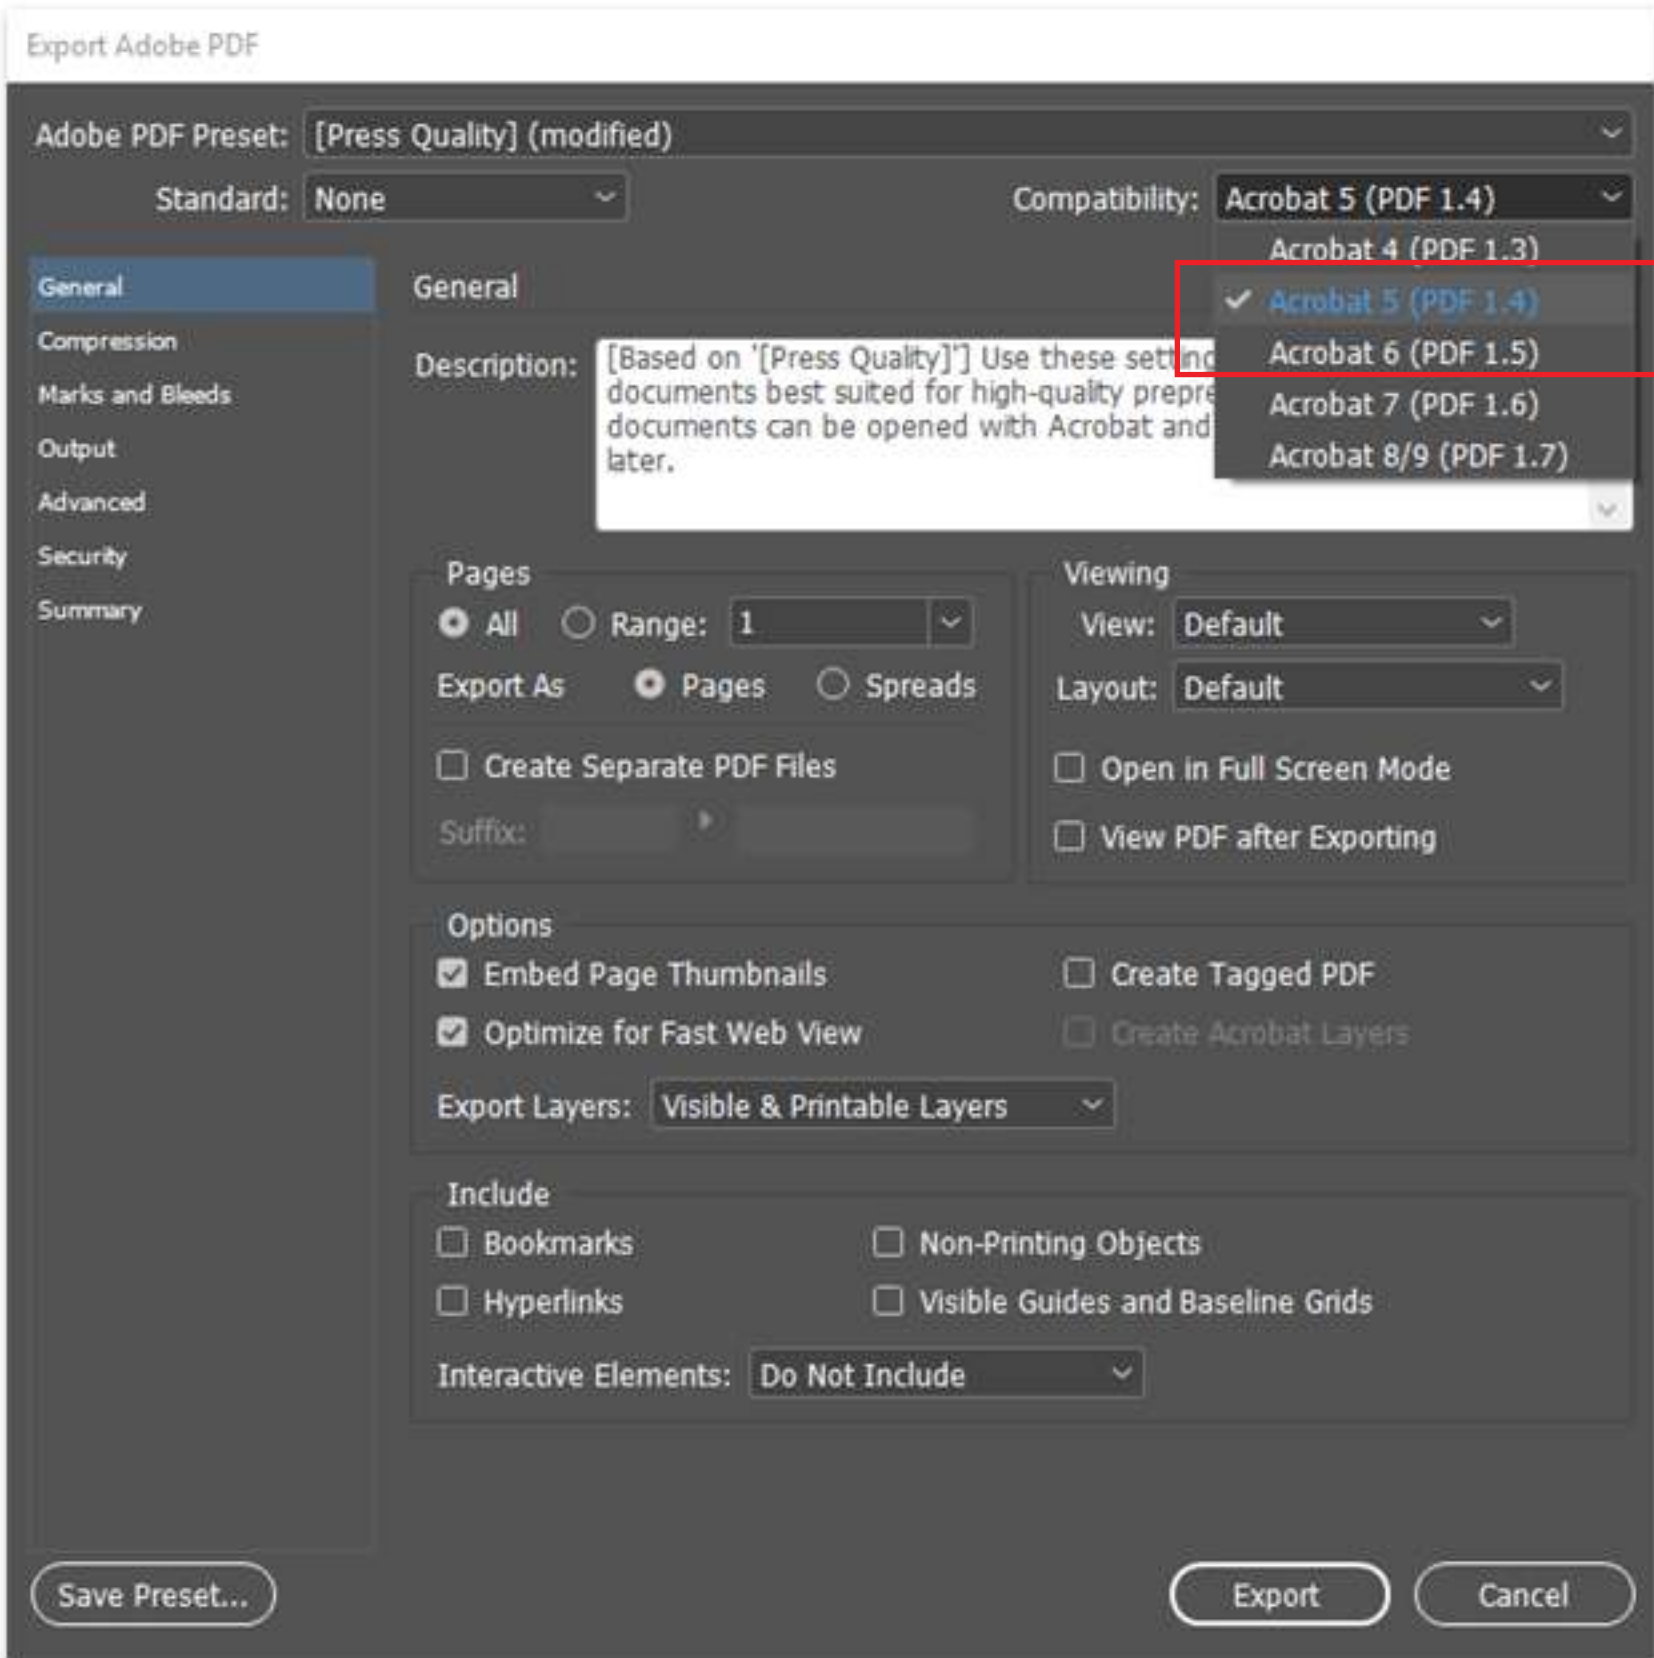

As there are some limitation on our artwork file filtering system, we are trying the best to your orders completed as perfect as possible on time. To allow us to do so, we might need your help in saving the artwork files accordingly, as we are to avoid any distortion in the graphics and texts.

Converting your Artwork to PDF by Selecting the Right Acrobat Compatibility.

Please use the right compatibility to save your final artwork into **PDF**, according to the designing software you use.
